Commonwealth Financing Authority
Statewide Local Share Assessment Grant 2022

To Whom It May Concern:

Pittsburgh History & Landmarks Foundation has been engaged in Tarentum for many years, developing downtown revitalization strategies through Allegheny County's Allegheny Together program, granting funds to maintain important religious buildings in the borough, and advising on the buildout of the Depot building.

We write in full support of FCP Services request for grant funding from the Commonwealth Financing Authority's Statewide Local Share Assessment grant program, to support completion of the Depot project's ground floor. The activation of this long vacant property, and the addition of a high-quality laundromat as the anchor tenant, will serve the direct needs of local residents, and will bring this property back into productive use while generating local real estate revenue.

Sincerely,

Michael Sriprasert
President

Arthur P. Ziegler, Jr.
